BIKE RIDERS

Pass on the left - Be sure that when you are passing someone, stay on their left side and move to the right after you have passed them. Call out "passing on your left" so you don't startle the person you are passing.

Pull completely off the trail if you need to stop - By pulling off the trail, you are less likely to get hit by bike trail traffic and cause an accident.

Wear a helmet - It is recommended for children and adults for safety purposes.

Obey all traffic signs - Be sure to yield to traffic signs. Make sure you watch for car traffic, particularly where it crosses the bike trail.

Pay attention when you ride - Make sure you keep your eyes on the road to look for potential hazards. Stay in your lane.

Ride in single file - Even if you are in a group, riding single-file helps keep the trail clear of congestion and reduces the chances of an accident.

Speed - The trail is not designed for extreme biking and too much speed can be a hazard to you and those around you.

Riding in the dark - When riding in the dark, bicyclists are required to wear a forward-facing white light that is bright enough to be visible from 500 feet in front and a red reflector from 100 feet in the rear.

PEDESTRIANS

It is unlawful for any person in possession of an animal to permit such an animal to run at large. (14-46)

Pet owners are required to remove pet waste. (14-2f)

Possession of alcoholic beverages is prohibited.

SKATERS - Both roller skating and rollerblading are permitted on the trail, and all skaters must obey the same rules as bicyclists.

NO MOTORIZED TRAFFIC - No motorized traffic is permitted on the trail.

* If your bike is stolen, please call the Marshall Police Dept. at 507-537-7000.
